

Welcome to our Hot Lunch and Treat Days Guide!

What are Hot Lunches and Treat Days?

Hot Lunches and Treat Days are initiatives organized by the PAC (Parent Advisory Council), a group of volunteer parents who fundraise for various school activities that require extra funding, such as special events, educational workshops, classroom supplies (books, science experiment materials, art supplies), musical instruments, sports equipment, and more!

What are Hot Lunches?

Hot Lunches are special days when the PAC partners with local restaurants to offer meals to students. These lunches must be ordered and paid for in advance through the PAC website, with a portion of the proceeds from each meal going toward supporting school activities.

These are separate from the Fuel Up program (Lunch Lady) which offers lunch everyday. If you normally order from the Fuel Up program you can continue to do that on Hot Lunch Days.

What are Treat Days?

Treat Days are days when students can purchase small snacks or treats at school, such as ice cream or cookies. Like Hot Lunches, this initiative helps raise funds for school activities.

Similar to hot lunch they must be ordered in advance through the PAC website.
